

NSGM in association with IIT Kanpur Organizes Third Smart Grid Training Programme

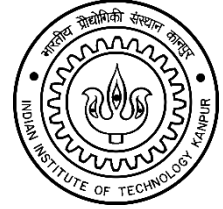

17th – 19th January 2018 at IIT Kanpur campus

National Smart Grid Mission
Ministry of Power
Government of India

NSGM in association with IIT Kanpur Organizes

Third Smart Grid Training Programme

Day Wise Topic Coverage:

Day 1

Introduction to Smart Grid

Smart Grid Architecture and Building Blocks

Smart Grid and Smart City

IIT Kanpur Smart City Pilot Visit & Demo

Day 2

Smart Grid Analytics

Peak Load Management and Demand Response

Loss Reduction, Asset Monitoring & Optimization, OMS

Grid Integration of Renewables and Energy Storage

Smart Grids and Quality of Supply and Service

Day 3

Smart Grid Communication Systems

New Technology Integration

Cyber Security in Power System

Consumer Engagement and Participation

Regulatory Considerations in Smart Grid Projects

IT Enablers for Smart Grid Technology
